August 2024
Buffalo Naval Park

CO: LCDR Todd Caughill
XO: LTJG Richard Ryan

From The CO's Desk

To all cadets who attended any sort of summer training thus far, congratulations! I look forward to hearing about any trainings that you attended outside of Buffalo, and urge you all to continue to explore your options for advanced trainings to areas throughout the country.

*****Be advised, August drill is on SATURDAY ONLY.**

LCDR Todd A. Caughill
Commanding Officer, USNSCC
The Sullivans Div / Training Ship Little Rock
"We Stick Together"

From The XO's Desk

Congratulations to all of our Sullivans/Little Rock Cadets that attended Buffalo Training on board the ships here at the Naval Park. Congratulations also to the cadets that have taken time out of their summer to attend trainings at facilities outside of Buffalo. We look forward to hearing about everyone's experiences and urge you to share amongst yourselves at appropriate times.

*****Be advised, August drill is on SATURDAY ONLY.**

Very Respectfully, Respectfully, Compliments.
LTJG Richard J. Ryan, USNSCC
XO The Sullivans Division/Training Ship Little Rock

August Drill is ONE DAY only.

There will be **1 MEAL**
provided at August
drill.

*Meals are **\$5.00** PER MEAL.*

Additionally, Cadets are required to have a canteen for hydration. It is part of your uniform. If you do not have one, you will be REQUIRED to purchase a bottle of water from the unit for \$2.00. You will use it for the entire weekend, refilling it as needed. If you lose it or throw it out, you will be required to purchase another one.

*****ATTENTION ALL CADETS*****

Be advised, it is recommended that you bring your ribbon rack to drill every month. It should be kept in some sort of safe "packaging" to make sure you don't lose any ribbons in transport. A ziploc bag should work fine. *Make sure it is CLEARLY & NEATLY labeled with your name.* That way, if you receive a ribbon at drill, you can put it right in the bag with the rest of them and not risk losing it between drills. It also ensure that you always have your rack to turn in if you need to exchange it, so you don't have to pay for a new one.

Any Officer who would like to have their bar checked is also encouraged to bring theirs to the Awards and Ribbons Officer at any time..

UPCOMING

DRILL

August 10, 2024

ONLY

****August *IS NOT* an
overnight drill ****

****Location: Buffalo Naval Park -
Saturday**

ADDITIONAL INFORMATION, REMINDERS, AND REQUESTS

-August *is not* an overnight drill.

-Reminder: EVERY email that includes an officer as a recipient, MUST include a second officer. This is not just a unit regulation, it is a full program regulation set forth by National Headquarters. Please note: even though it's "in the name", a Petty Officer does **NOT** count as an Officer; the regulation is in regards to ADULT Officers.

-If you are unsure of how to "copy/cc" someone to an email, ask someone for help. It is imperative that this regulation be followed. Please use "cc", NOT "bcc".

-When you are sending an email to an officer, be sure to acknowledge WHO the email is directed at. Since you are required to include a second officer on emails,

you need to make sure that the recipients are aware of who the email is actually directed at. Beginning an email without specifying who it is directed at is confusing to the recipients as well as disrespectful.

-For new cadets (and anyone else not sure)...

REMEMBER: if you need to ask a question, make a request, share information, etc with an adult officer, you **NEED TO GO THROUGH YOUR CHAIN OF COMMAND**. That being said, any Cadet who is not in a leadership position should be calling or emailing their ACC (or CC if your company does not have an ACC) to begin the chain. **You do not contact senior leadership directly**, especially the CO and XO. Currently, the CC for League Cadets is LCPO3 N. Wadman. The ACC for RTC is SR Rivas-Contreras. The CC for RTC is SN Eiser. The CC for ATC & LPO is PO2 K. Wadman. Those cadets will continue the chain until it reaches the appropriate recipient and the issue will be resolved as necessary. Additionally, ACC's, CC's, LPO, CPO: you need to be checking your cadet email **daily**; you are in leadership positions and if your cadets are reaching out to senior leadership, YOU need to make sure it gets passed up.

-*****If you are a new cadet that has not yet received uniforms**, please wear the following: Plain Navy Blue T-Shirt, Plain Jeans (**no rips**), belt, black socks, sneakers. If you are officially signed on, be sure to bring PT gear as well (a plain dark colored or yellow t-shirt, and plain navy blue or black athletic shorts.) You can also bring or wear a *plain* Black or Navy Blue sweatshirt and sweatpants that fits appropriately.***

Coming this fall to iPhones!

This fall for compatible iPhones, iOS 18 will be released. There are a whole lot of new features.

Here is an article that details about them.

To all,
Keep in mind, it's still summer which means hot weather. Water is your friend!! The last thing we want to see is cadets falling ill from dehydration and overheating. CC's and ACC's, keep an eye on your cadets to make sure they are drinking water throughout the day and eating at mealtimes. Don't make Darth Vader come after you!

Supply / Logistics

Parents and Cadets,

You will start to see QR code stickers on the inside of some equipment being handed out. Please do not peel these stickers off or deface them in any way. This is part of the units way of keeping track of what equipment is being handed out to who and who returns it upon completion of program or needs to swap sizes. The stickers are washable, but if you notice them starting to peel, please go through your chain to alert supply that it needs to be replaced. If you have any questions, please let me know.

Regards,
INST Stoddard

Also, nice weather HOPEFULLY means you're spending more time outside...maybe at the beach with your family, playing basketball at the park with friends, and soon enjoying the Erie County Fair! Spending time out and about, especially in heavily populated public areas, means it's even more important than ever to be washing your hands and keeping germs at bay. Remember to be diligent in using soap and water and perhaps even carry some "antibacterial" with you.

Regards,
INST Jacob
